Remedies LLC

You have to take an active role in your health and healing.

Product is 20% of your healing—the other 80% is your attitude.

Determination will always persevere. The question is: Will you take the necessary steps to conquer your issues?

You have to <u>want</u> to be well.

You have to have a *positive* attitude and an *open* mind.

You have to follow through with the suggested regimen.

Finally, you have to <u>believe</u> you will be well.

Are you committed to better health? What steps can you take?

The single most important variable to your health is YOU!
